Privacy Policy

Welcome to the ATIC Website www.dekra.com.cn. We appreciate your interest in our company. Protection of the personal data you entrust to us is a priority for us, and we want you to feel safe and secure when you visit our website or use our online offers.

It is important to us that you are fully informed about the personal data that we collect when you use our online offers and services, and are familiar with how we use them.

Wherever ATIC processes personal data, such processing is carried out for the purposes defined in this data privacy statement.

Data protection

ATIC (Guangzhou) Co., Ltd.
No. 203, C2 Building, Greenland Plaza,
Science Town, Guangzhou, 510663, P.R. China
Tel.: +86 20 8251 0156
Email: cs@atic-cn.com
Website: www.atic-cn.com

We regard the protection of your personal data, such as your name, address, telephone number and e-mail address and the responsible use of the information you entrust to us as especially important. This also includes data that accumulates in the background when you use the Internet.

Applicable law

ATIC guarantees that your details will be treated confidentially in accordance with the applicable German data protection provisions.

Your visit to the ATIC website / use of the data

Your visits to our web pages are also covered by data protection legislation. Our web servers store the name of your Internet service provider, the web page from which you visit us, the web pages you visit on our website as well as the date and duration of your visit. When you visit one of our web pages, ATIC receives service data, which are stored. Service data is analyzed for statistical purposes. The regular analysis of access statistics in relation to our web pages shows the temporal development of visitor resonance as well as the varying degrees of success of different offers on our website. It is, among other things, the basis on which we manage the development of our website.

Contact

If you have any questions or suggestions concerning data protection or the processing of your personal data by ATIC you can contact our data protection officer.
